## FURTHER INFORMATION ON THE REASONS FOR THE DELAY IN THE PUBLICATION OF THE 2023 ANNUAL RESULTS AND UPDATES ON THE AUDIT PROGRESS

The Board wishes to provide further information to its shareholders and potential investors in relation to the reasons why the Company was unable to publish the 2023 Annual Results by 30 September 2023，and updates on the audit progress．

As mentioned in the Delay Announcement, there are certain confirmation letters not yet received by the Auditor and the Company is still in the process of providing certain related documents to the Auditor for them to complete the required audit procedures. Such outstanding confirmation letters and information mainly include the followings:

## (1) Bank confirmation letters and management's explanation on reconciliation

The Auditor obtained a list of bank accounts of the Group and circulated the relevant audit confirmation letters to the banks and financial institutions in August 2023. However, as of 26 September 2023, there were 17 out of 54 confirmation letters yet returned by the banks, which caused obstacles for the Auditor to sort out the outstanding borrowings from the banks for FY2023. As of the date of this announcement, there were still 12 confirmation letters yet returned by the banks. The Group has been using and will continue to use its best efforts to liaise and communicate with the relevant banks to expedite the collection of the outstanding confirmation letters.

Furthermore, regarding the confirmation letters returned by the banks, there are pending explanations from the Company's management on the discrepancies, albeit not material, identified during the Auditor's checking process. As at the date of this announcement, the Company's management is in the process of addressing such discrepancies and is using the best efforts to provide explanations to the Auditor's satisfaction as soon as possible.

## (2) Financial information of the Company's subsidiaries in Singapore

Due to the resignation of senior accounting personnel of the Group, the relevant accounting staff of the Group in Singapore encountered difficulties in providing quality financial information of the Company's subsidiaries in Singapore in a timely manner. As of the date of this announcement, the Group is in the process of providing the requested supporting information of the relevant Singaporean subsidiaries to the Auditor including but not limited to the accounts and balances of plant and equipment, right-of-use assets and deposits, trade and other receivables, trade and other payables, related parties' and inter-companies' balances and transactions, income tax and etc.

The Company has been urging its accounting staff in Singapore to work closely and communicate with the Auditor to provide the outstanding financial information requested by the Auditor as soon as possible.

Based on the latest development and progress, the Company expects that the 2023 Annual Results will be published by early November 2023.
